Now, you don't need to come to **MindHeal Homeopathy**. Specialist consultant homeopath **Dr Anita Salunkhe** will come to you!

To make it convenient for individuals choosing

Dr Anita Salunkhe consulting with a farmer in Nashik, Maharashtra. Now even India's rural hinterland can benefit from expert homeopathic consultation

to consult with **MindHeal Homeopathy**, we have launched an online facility via **Live Video Chat**. This facility widens the scope of medicine, making homeopathy accessible across Mumbai, India and overseas. Yes, it's definitely reason to celebrate.

For too long, medicine has been the preserve of those who could access and afford treatment. Technology has bridged this divide. It saves time, cuts costs and makes it possible to access treatment at your convenience.

But **eConsult** is not a first. Online Consultation at **MindHeal Homeopathy** follows another e-facility we launched recently - **eAppointments**. Now the entire process - from booking a slot to consulting and follow-ups - can be executed via the Internet.

Who Can Consult?

Mumbai: Mumbai is a large city and our daily routines are challenging, at best. Time is of the essence and, as we try to juggle myriad appointments daily, doctors' visits usually take the fall.

▶ **Follow-Ups:** Thus, existing patients of Dr Salunkhe need not visit our clinic for follow-up sessions any more. All consultations, including follow-ups, can be conducted online. All you need to do is inform the **MindHeal** Reception Desk.

▶ **New Patients:** First-time patients may visit the Online Consultation section of our Website at www.mindheal.org to get started.

▶ **From Your Workplace:** With our Online Consultation facility, you can keep your doctor's appointment from your workstation. If our clinic is not on your daily commute, all you

could take as little as 15 minutes.

▶ **Overseas:** Using a webcam, patients from across the world can log in to **MindHeal Homeopathy** to consult directly with Dr Salunkhe.

▶ **Doctors:** Dr Salunkhe regularly advises other homeopaths and doctors on challenging cases. These homeopaths, who usually accompany their patients to our clinic, my now consult with Dr Salunkhe via Live Video Chat.

How Does It Work?

1. **Webcam + Internet:** You need a personal computer or laptop fitted with a webcam and a broadband Internet connection.

2. **Chat:** You need to have an account with Skype / MSN / Yahoo Messenger / Gmail.
